

Employer for whom work was performed

INTERNATIONAL JOINT CONFERENCE ON ARTIFICIAL INTELLIGENCE

TRANSFER OF COPYRIGHT AGREEMENT

If anyone brings any claim or action alleging facts that, if true, constitute a breach of any of the foregoing warranties, the undersigned will hold harmless and indemnify IJCAI, their grantees, their licensees, and their distributors against any liability, whether under judgment, decree, or compromise, and any legal fees and expenses arising out of that claim or actions, and the undersigned will cooprate fully in any defense IJCAI may make to such claim or action. Moreover, the undersigned agrees to cooperate in any claim or other action seeking to protect or enforce any right the undersigned has granted to IJCAI in the paper. If any such claim or action fails because of facts that constitute a breach of any of the foregoing warranties, the undersigned agrees to reimburse whomever brings such claim or action for expenses and attorney's fees incurred therein. Returned Rights In return for these rights, IJCAI hereby grants to the above authors, and the employers for whom the work was performed, royalty-free permission to: 1. retain all proprietary rights (such as patent rights) other than copyright and the publication rights transferred to IJCAI; 2. personally reuse all or portions of the paper in other works of their own authorship; 3. make oral presentation of the material in any forum; 4. reproduce, or have reproduced, the above paper for the author's personal use, or for company use provided that IJCAI copyright and the source are indicated, and that the copies are not used in a way that implies IJCAI endorsement of a product or service of a employer, and that the copies per se are not offered for sale. The foregoing right shall not permit the posting of the paper in electronic or digital form on any computer network, except by the author or the author's employer, and then only on the author's or the employer's own World Wide Web page or ftp site. Such Web page or ftp site, in addition to the aforementioned requirements of this Paragraph must provide an electronic reference or link back to the IJCAI el	Title of Article/Paper:
